Advent Scriptures to Pray to Prepare Your Heart For Christmas

As wonderful as Advent devotionals can be to help get our hearts and mindsets focused on Christ's birth at Christmas, there's nothing like reading and reflecting on and praying God's Word to prepare our hearts for Christ's birth.

How to Use This Advent Scripture Calendar:

It is recommended you start December 1st and read one prayer prompt and the verse or verses listed underneath it each day. There are 24 days of Scripture readings and prayer prompts.

Let any revelations or encouragement or inspiration you receive from the prayer prompt and the verses lead you into a precious time of prayer. If it helps you stay focused, consider writing out the Scripture(s) and your prayer.

May this time of reflecting on and praying God's Word about the wonder of Jesus' birth be a blessing to you!
